ABOUT THE VOILÀ FOUNDATION

President's Message

Welcome everyone to the 6th Annual Voilà Mardi Gras Ball. This year with everyone's health and safety in mind, we've gone virtual. And we're so happy you've joined us for **PARTYING on SUNSHINE!**

As we began planning this year's Ball in 2020 in the midst of a pandemic, we knew this year, more than ever, non-profit organizations would need the support of the community. We are thrilled to bring the fun to your home, all to benefit an amazing organization, our 2021 Beneficiary, Sunshine on a Ranney Day. We are so grateful for our generous Sponsors and Patrons and for each of you joining us tonight where ...VIRTUALLY Anything Goes!

Guy Scull
President

The Voilà Foundation was born from the altruistic acts of Voilà A Salon. What started as cut-a-thons at the salon benefiting individuals in need in the Roswell community steadily grew into more elaborate events each year raising thousands of dollars, eventually becoming The Voilà Foundation as you know it today with the success of the first Mardi Gras Ball in 2016, raising over \$100,000. Our Ball continues to grow each year and brings together local venues, entertainment, supporters and donors to provide funding to local non-profits doing amazing work in our community.

ABOUT SUNSHINE ON A RANNEY DAY

Dreams Built Here

Sunshine on a Ranney Day is a nonprofit organization that renovates homes for children with special needs using top of the line construction and design. Through partnerships and donors they provide no cost wheelchair accessible bathrooms, dream bedrooms, and in-home therapy rooms.

Founder's Story

In 2012, inspired by a church sermon, Holly and Peter Ranney found their calling to use their God-given talents and resources to help others. Sunshine on a Ranney Day was created with the idea that every child should have their own unique space. Sunshine on a Ranney Day's first makeover was completed for 11-year-old Mathew, who wanted to spend his last days in his military-themed bunker bedroom. Mathew's makeover and passing showed how impactful a makeover could be on a child's life. This experience helped shape Sunshine on a Ranney Day into what it is today.

MEET THE MAKERS

Reckless

Reckless is an Atlanta-based band with a diverse song list that covers 80s favorites, 90s and classic rock, modern country, dance/funk, and popular surprise songs in between! They're sure to keep you dancing all night long! They are available to play a variety of venues, including bars, restaurants, private parties, corporate events, or any event needing live music. Check them out at recklessband.net for a list of all their upcoming shows!

Ann Marshall Bailey

A busy live event and wedding painter, Ann Marshall Bailey is a six year veteran this year for the Voilà Art Galas and Mardi Gras Balls. Each year, Bailey has combined her active, enthusiastic “Modern American Impressionism” quick painting style with her professional portrait painter skills to come up with the original composition. In the past three months, Bailey’s portrait paintings of Ryan Seacrest and his sister Meredith were featured twice on national TV. She’s also been a corporate-requested “Zoom” online Art Class coach... hugely popular during our Covid shut-in experience! Bailey is a Past President of the Portrait Society of Atlanta, a native of Savannah, and a wife and mom of two.

PRODUCTION TEAM

Kendra Cox, Emcee

Kendra is a Roswell native and has been honored to work with The Voilà Foundation and the Mardi Gras Ball for more years than need to be counted. As a comedy improviser, she was a founding member of the Improv Ensemble at Dad's Garage Theatre in Atlanta, performing in many plays, comedy sketches, and musicals - and writing some of them, too! Her credentials include corporate and private events as a singer, actor, and team-builder. She has served as emcee for the Mardi Gras Ball since 2017 and for other charity auctions since 2016, and always looks forward to passing a good time with all y'all!

TG Visuals

TG Visuals has over 20 years of video production experience. As Design Director for a Top 10 television station, Todd Greve is the winner of multiple Emmys and a Gabby Award. He has been responsible for creating and implementing multiple on-air graphics packages while managing a diverse team of designers. Working within your budget and deadline, TG Visuals will provide you the highest quality visual experience.

Les Deux Rois

(The 2 Kings)

You cannot have a Mardi Gras Ball without a King! And this year, we are fortunate to have les deux rois -- two men who have exemplified the ideals of The Voilà Foundation and have made tremendous contributions to our Mardi Gras Balls.

Stephen Harrell

Stephen graduated from Florida State University in 2006 with degrees in risk management and insurance. He worked for Marsh - an international insurance brokerage for 4 years. He then joined ISG where he currently serves as President and Chief Operating Officer. He is married to his college sweetheart Ali, and they have 2 small children. His latest passion (and Covid purchase) is camping in his new airstream named "Campy" - named by their son! He is also an avid NASCAR fan - much to his wife's dismay. Joining the Board of Directors of The Voilà Foundation in 2017, Stephen has played an integral role in our efforts to fund local nonprofits.

Michael Mock

Michael is a native of Savannah, Georgia. He graduated from The University of Georgia with a degree in Risk Management and shortly after, relocated to Atlanta to begin his career in banking. Michael has led a successful, twenty-five year banking career thus far, serving currently as a Senior Managing Director of the Private Client division of Renasant Bank. Though community reinvestment is an important and large part of banking as a whole, Michael's participation in various capacities with several non-profit organizations fulfills his individual mission to give back to those most in need. A founding board member of The Voilà Foundation since its inauguration in 2016, he looks forward to continuing to grow the foundation's mission to serve as a resource for charitable community efforts.
